

# 10 GOOD REASONS TO STUDY IN FRANCE

*France continues to climb in international rankings*

## A world-class education

In the Shanghai Ranking, France is **ranked 3<sup>rd</sup>** in the world, and in mathematics, the world's leading university is French.

**Top 4** of the best masters in finance from the Financial Times is 100% French.

*A language spoken by more than 300 million people around the world.*

## French, an added bonus for your resume

World's **5<sup>th</sup>** most widely spoken language, and the most studied language in the world after English.

One of the **working languages** and official languages of many international institutions or organizations such as the UN, the European Union, the International Committee of the Red Cross, International Olympic Committee.

*France attracts and trains talent*

## A leading nation for research and innovation

France attracts and trains talent.

**Ranked 4<sup>th</sup>** in the world for Nobel Prizes and **2<sup>nd</sup>** for Fields Medals (mathematics)  
**3<sup>rd</sup> world host country** for foreign doctoral students

"Station F", the **largest** start-up incubator in the world

*Choose among more than 1,700 academic programs taught in English.*

## Study in English in the heart of Europe

Study in the heart of Europe and just a few hours from Spain, Germany and the United Kingdom.

The **Schengen visa**, a true European experience.

*Academic programs in all areas and accessible throughout the country*

## Academic programs in all fields, recognized in China

**3,500** public and private institutions

Diplomas, accredited by the French government, **are recognized in China and throughout the world.**

*1<sup>st</sup> tourist destination in the world*

## Enjoy the French "Art de vivre", a stay in France cannot be forgotten!

With more than **400,000** international students, France is the meeting place for students from all over the world!

It concentrates **49** cultural sites classified as UNESCO World Heritage, **1,200** museums in France, and nearly **8,000** festivals, not to mention gastronomy.

*Registration fees are low*

## Reasonably-priced, state-funded education

In addition to scholarship opportunities, the state covers most of the cost of the programs provided in public institutions.

The real cost of studying is the same as elsewhere in the world, around €10,000 per year.

The difference is that in France, the State assumes a large part, around two thirds.

*France, the 7<sup>th</sup> economic power in the world and 2<sup>nd</sup> in Europe*

## Strong professional integration

France is at the forefront of Europe in welcoming international investments.

Chinese talents who have studied in France are particularly sought after by the **2,100** French companies in China.
