

Possibilities to study at SWSU in 2024/2025

There are two options

Russian programs	English programs
<p>If you are ready to get your bachelor's or master's degree in the Russian language you need to take a 1-year preparatory course of Russian. It costs 120 000 RUB*.</p> <p>Then you can choose a program that you are interested in. The list of the program sees below.</p>	<p>If you want to study in English you don't need to take a preparatory course. You chose a program and start studying. The required number of students to start a program is 10 minimum. The list of the program sees below (in English).</p>

Documents for admission:

To apply for any program either in Russian or in English you need to contact us swsu-apply@mail.ru and provide us with an educational certificate stamped with consular legalization, notary translation of the education certificate, notary translation of the passport, medical certificate on your health condition and its notary translation.

The deadline of the application for the preparatory faculty of the Russian language is November 1st. There are 10 people in each group of students. The length of the preparatory course of the Russian language is 10 months. If the students apply for the preparatory course after November 1st, the length of the preparatory course is 1 year and 6 months. In this case the school fee is 180 000 rubles*.

*Prices may change due to inflation.

Faculty of Natural Sciences	Стоимость в рублях / Cost in Rubles (2024)
<i>Bachelor's degree programs</i>	
• Chemistry	149070
• Physics	149750
• Mechatronics and robotics	161300
• Chemical technology	161300
• Nanotechnology and microsystem engineering	182650
<i>Master's Degree programs</i>	
• Nanotechnology and microsystem engineering	194250
• Chemical technology	
• Mechatronics and robotics	169170
Mechanical Engineering Faculty	
<i>Bachelor's degree programs</i>	
• Mechanical engineering	149750
• Technosphere safety	149750

• Operation of transport and technological machines and complexes	161300
• Design of light industry products	149750
<i>Master's Degree programs</i>	
• Operation of transport and technological machines and complexes	169170
• Technosphere safety	159620
• Mechanical engineering	169170
• Mechanical engineering (in English)	249000
Faculty of Construction and Architecture	
<i>Bachelor's degree programs</i>	
• Architecture	161300
• Construction	149750
• Land management and cadastres	182650
• Electric power industry and electrical engineering	161300
<i>Master's Degree programs</i>	
• Architecture	163340
• Construction	163340
• Electric power industry and electrical engineering (Electric power systems, networks, power transmission, their modes, stability and reliability)	169170
Faculty of Linguistics and Intercultural Communication	
<i>Bachelor's degree programs</i>	
• Conflict management	140490
• Journalism	140490
• Hotel business	129750
• Fundamental and applied linguistics	129750
• Vocal art	258150
<i>Master's Degree programs</i>	
• Vocal art	279940
• Linguistics	147260
• Journalism	147260
• Psychology	147260
Faculty of Law	
<i>Bachelor's degree programs</i>	
• Law	127500
• Law (in English)	171430
<i>Master's Degree programs</i>	
• Law	147260
Faculty of Fundamental and Applied Computer Science	
<i>Bachelor's degree programs</i>	
• Computer Science and Computer engineering	161300

• Computer Science and Computer engineering (in English)	169700
• Software engineering	161300
• Information security	161300
• Information and communication technologies and communication systems	161300
• Design and technology of electronic means	161300
• Biotechnical systems and technologies	161300
Master's Degree programs	
• Mathematical support and administration of information systems	147260
• Biotechnical systems and technologies	169170
• Information and communication technologies and communication systems	169170
• Software engineering	169170
• Computer Science and Engineering	169170
• Computer Science and Computer engineering (in English)	152500
Faculty of Economics and Management	
<i>Bachelor's degree programs</i>	
• Economics	129750
• Economics (in English)	171430
• Management	129750
• Management (in English)	171430
• Sociology	129750
<i>Master's Degree programs</i>	
• Personnel management	147260
• Management	147260
• Management (in English)	175650
• Economics	147260
Faculty of Public Administration and International Relations	
<i>Bachelor's degree programs</i>	
• Food products from plant raw materials	149750
• Economics	129750
• State and municipal management	129750
• International relations	129750
• International relations (in English)	171430
<i>Master's Degree programs</i>	
• International relations	147260
• State and municipal management	147260
• Electric power industry and electrical engineering	169170

Additional information

The cost of the invitation is 800 rubles

If the training is in English, the invitation is free of charge

Visa extension – 1,600 rubles annually

Medical commission – 4,500 rubles annually
